

Compact Loudspeaker for Attention-Grabbing Communication

The 8180 IP Audio Alerter is a wideband, SIP-compliant and multicast-capable PoE network speaker for voice paging, emergency alerting, and loud ringing.

The 8180 is a compact, versatile device that packs a punch. Wall mountable, the 8180 is approximately eight times louder than a telephone speaker. The audio alerter features wideband audio, offering enhanced speech clarity and intelligibility for large areas and open spaces.

Leveraging multicast, the 8180 can simultaneously broadcast live voice or active ringtone over the network to other Algo IP speakers (including additional 8180s) and IP visual alerters either all at once or in zone groups.

An embedded microphone allows the 8180 to monitor ambient noise and automatically adjusts the speaker volume according to background noise levels for paging and alerting. The microphone may also be used for two-way talkback.

The 8180 contains 1 GB internal memory and is pre-loaded with several commonly used audio files for ring sounds. Users may also record or upload custom audio files, such as music, sound effects, or voice announcements.

As a 3rd-party, SIP compatible endpoint, the 8180 can integrate into most leading UC, Collaboration, and Mass Notification platforms. The audio alerter supports Secure SIP (TLS & SRTP), secure provisioning, and web configuration (HTTPS).

FEATURES

- Wideband HD audio (G.722 voice codec) for high intelligibility speech
- Secure SIP using TLS and SRTP
- Configurable via user-friendly web interface or auto-provisioning
- Ambient noise response to automatically adjust audio output level
- Two-way talkback
- Multicast send and receive
- Configure up to 50 page zones
- PoE powered (IEEE 802.3af)
- Class-D Amplifier
- Smart relay input for accessories
- Upload custom audio files for announcements and alert tones

APPLICATIONS

- Loud ringing
- Voice paging
- Emergency and safety notifications
- Zoned paging and notifications
- Suitable environments include: cafeteria, classroom, hallway, office, workshop
